Kedington Primary Academy

13th September 2019

# Weekly News

A very warm welcome to Rory, May Yi and Maci who have joined us in Year 2. We wish them all the very best during their time at Kedington.

A reminder to parents, that **earrings must be removed or taped over for PE lessons**. If taped, the tape must be supplied by parents. Thank you.

The **Kittens'** class have settled into their routines very well but some of our equipment needs replacing.

We are very short of vehicles - small cars, vans, lorries, motorbikes etc . If anyone has any to donate, they will be very well used and much appreciated.

Our dolls house is also in need of repair and renovation. If any parent or grandparent would be willing to take this on, the Kittens would be delighted.

Other toys we would love include: dolls, puppets, small world people and Jenga.

Many thanks, The Kittens' Team
