**First day of
the Autumn
Term**
Wednesday
6th
September

Dear families,

As we begin the very busy final half term, we have school trips, International Week, Sports Day and a Leavers' Assembly to plan - all of which is keeping us all on our toes.

It is also the time when we start to look ahead to September and to preparing the children for transition to their new classes, or in the case of Year 6, their new school.

With this in mind, please find below details for the next academic year:

Reception— Mr Bunton will lead for the first half of the term until Miss Willis returns from maternity leave in October.

Year 1

Miss Tillmanns

Year 2

Mrs Riley (3 days)

Ms Kirby (2 days)

Year 3

Miss Poole

Year 4

Mrs Williams (returning from maternity leave)

Year 5

Mrs Fenn-Goode

Year 6

Mrs Miller (3 days)

Mrs Harding (2 days)

We are also delighted to say that Mrs Masson will be staying with us again next year, teaching one day in Year 1 and one day in Year 4.

Reports are to be sent out on **Friday 7th July**, so please make a note to check your child's book bag in order that nothing goes astray! On **Monday 10th July** you are invited to pop in during the afternoon to have a look at your child's books in order to share and celebrate their learning over the year. Our doors will open from 1:30pm.

Our 'Move-Up' Day will then be held on **Monday 17th July**, giving everyone a chance to get to know each other.

Karen Sheargold

Continuing to Move Forward

We are delighted to confirm that on June 1st, we became part of the Samuel Ward Academy Trust. This is an exciting time for us all and we look

forward to sharing resources and good practice with other schools.

Most importantly, this collaboration will offer new

and exciting opportunities for our children and will mean that we will be able to further enhance the provision we provide.

Exciting times ahead!

Country Dancing At Meadowlark

Thank you Miss Bagshaw for teaching the children their super moves. We will all miss you, when you move to Devon in September

International Week: Our Oceans, Our Future

This year's International Week begins on Monday 26th June and will focus on the environmental theme of looking after our oceans. Over the week, the children will have the opportunity to work in mixed year groups on art projects as well as working in their own classes to learn about specific oceans. Wednesday will be dance day, where we will all be learning routines ready to perform at Sports Day on Friday 30th June.

This annual event provides us with the perfect opportunity to

focus on caring for our environment which is central to our school ethos. We will also be raising our new Green Flag which our amazing Eco Committee were awarded last month.

To help with our art project we would appreciate any donations of blue/green fabric, shells or sea glass. We will of course share our creations with you.

Thank you

Our Award Winning Eco-Committee

Pupil Premium

A letter will be going out shortly detailing the criteria required to claim this benefit. Once the children begin Year 3, free school dinners end; this is therefore of particular relevance to any children, who are currently in Year 2.

Time to Say Goodbye

On Friday 14th July we will say a fond farewell to Cougars Class as a majority of the children move on to Samuel Ward.

Over the last week of the term they will get to know their teachers and make new friends, preparing them for September. Please note that the children must remain in their Kedington uniform. On the final day the children will finish at 1pm, when they will return home either by bus or on foot. Hopefully they will pop in to see us and let us know how their first week has been.

Junior Road Safety Officers

After a successful year of promoting road safety and organising our Walk to School Week, Lexi, Daisy and Ellie have been invited to a very special event.

On Friday 23rd June they will be attending the JRSO Awards Event at Endeavour House in Ipswich, where they will find out if their scrap book of events has been awarded Gold, Silver or Bronze.

Whatever the outcome, I think they deserve a Platinum award for their

dedication over the year!

To acknowledge their outstanding work, please can we work together to try and alleviate the parking problems outside of the school. This really would show how much we have valued their work and show that they have made a difference. Please do give this some thought.

PTFA: The Fund Raising Continues...

I would like to extend my thanks to the PTFA who have worked tirelessly once again this year, raising money for our Academy. The outdoor class room project is looking like a real possibility for next year and the funds are building well. Please do come

along and support the Wild West themed Summer Fayre on the 1st July and participate in, or support, the Race for Life around the village, which will kick start the event. Once again, sunshine has been booked and a good time is promised!
