

Lions' Class

Summer Newsletter

Welcome back lovely Lions! I hope you have all had a relaxing Easter break with enormous amounts of chocolate and laughter. We have lots to explore this term so hopefully the sun will show itself and give us lots of opportunities to learn outside!

This term our topic is the Victorians. This half term we will mainly be looking at who they were and what life was like. After half term we will explore key inventions and famous people of the era. Any extra research is always welcome to share with the class!

In Maths this half term we will be looking at fractions, angles and shapes using a variety of resources and exploring in different contexts. We will also be learning our 6 times table.

In Literacy we will start by looking at poetry before planning our own finding tales and looking at characterisation. We will be looking at lots of different character descriptions (not just what they look like) in reading so keep a lookout for good examples!

Thank you for all being signed up to Class Dojo! I feel like it has been a wonderful addition to our class. I love seeing what you get up to with the children at home as I am sure you enjoy seeing what we do at school. Please feel free to contact me on there as that is the first place I check for messages.

However, please make sure that the children bring in their learning logs every day. Any letters that are not sent through ParentPay are given out this way. It also gives me the chance to see what reading is happening at home and any reading comments from school will be noted in here too.

I wanted to say a massive well done to all of the children who worked so hard learning their lines and the songs with such passion for our class performance. You were all fantastic and it was a pleasure to see you all perform with such confidence and expression!

As the weather is due to be getting warmer, please make sure that your child comes to school every day with a labelled water bottle filled with water. Please avoid filling the bottles with squash as it can be quite sticky when spilled.

Please could I stress that ALL school uniform and PE kit be labelled clearly. I appreciate it may have been done at the beginning of the school year but many names have faded. I currently have a box in the classroom with unnamed clothes that have not yet been collected. They will be given to the lost property at the end of the year.

A white top, black shorts/tracksuit bottoms, a tracksuit jump/jacket and trainers are required for PE sessions. It is likely the children will be outside for most of the PE lessons this term.
