

Weekly Wows

Pancakes!

Tigers' Class have been reading Mr Wolf's Pancakes this week and made some yummy pancakes, following some instructions.

Parents' Consultation Evenings

We had very close to 100% of parents attend the two Parents' Evenings this week! Thank you for your support, it makes a huge difference and we are very fortunate with the level of support we get from parents here. It was lovely to hear lots of positive feedback from parents. If there is anything you feel we could do to make the consultations even more helpful, please let us know.

Kedington's Champion

British 1500m Indoor Champion Holly Archer, an ex pupil of Kedington Primary, won the British 1500m Indoor Championship in Glasgow last weekend! What an inspiration to our children!

World Book Day

A reminder that it is World Book Day on Thursday 5th March 2020. Children need to come dressed in a costume and if parents are coming into school for the shared reading session, please may you arrive at school at 2.45pm. To celebrate World Book Day, we will be changing the menu as follows:

Harry Potter's Chicken & Tomato Pasta with Gryffindor Garlic Toast
Or

Winnie Witch's Swirly Wirly Pizza
with

Jolly Roger Jacket Wedges

Daisy Butter's Peas and Carrots

Pudding: Willy Wonka's Scrumdiddlyumptious Chocolate Crunch & Chocolate Custard

'Eats' (our catering company) also invite children to write a short story to be in with a chance to win £10 worth of book vouchers. This year's story theme is 'Our Planet'. Entries must be handed in to our Head of Kitchen by Friday 13th March 2020, and Easts Catering will announce 10 lucky winners by 27th March 2020.

Coats/Jumpers

It has been rather cold recently, especially at lunchtimes and we would like to remind children to bring their coats/jumpers etc together with hats and scarves if necessary. Please also remember to name your child's clothing - it can be very time consuming trying to find the right owners. Thank you.

Coronavirus Information

We are getting very regular advice from the Department for Education who are working closely with the NHS and Public Health England about how best to respond to the virus. We are not discussing the coronavirus directly with the children (although have responded when some have asked questions about it), but are making sure we are reminding them about washing hands regularly and using tissues for coughs and sneezes. It would be helpful if you could reinforce this at home.

We are not aware of any children or family members having travelled to any of the affected areas. If you have, please let the school know and follow the following advice:

Based on the scientific advice of the [Scientific Advisory Group for Emergencies \(SAGE\)](#) the UK Chief Medical Officers are advising anyone who has travelled to the UK from mainland China, Thailand, Japan, Republic of Korea, Hong Kong, Taiwan, Singapore, Malaysia or Macau in the last 14 days and **is experiencing cough or fever or shortness of breath, to stay indoors** and call **NHS 111, even if symptoms are mild.**

These areas have been identified because of the volume of air travel from affected areas, understanding of other travel routes and number of reported cases. This list will be kept under review.

If you have returned from these areas since 19 February 2020 **and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS 111.** You do not need to follow this advice if you have no symptoms.

- Northern Italy (anywhere north of Pisa, Florence and Rimini)
- Vietnam
- Cambodia
- Laos
- Myanmar

If you have travelled from:

- Iran
- specific [lockdown areas in northern Italy](#) as designated by the Government of Italy
- [‘special care zones’ in South Korea](#) as designated by the Government of the Republic of South Korea
- Hubei province (returned in the past 14 days)

You should immediately:

- stay indoors and avoid contact with other people as you would with the flu
- call NHS 111 to inform them of your recent travel to the area

Please follow this advice even if you do not have symptoms of the virus.

Forthcoming Events

Thursday 5th March

Friday 20th March

Tuesday 31st March &

Thursday 2nd April

Thursday 2nd April

Friday 3rd April
