WHAT: Concerns could include: a change in behaviour of a child you regularly work with, a child telling you something that concerns you, signs of possible neglect, bruises or marks that concern you, behaviour of a member of staff towards a child.

HOW: Record of concerns should be completed and notify the DSL, interrupting if necessary.

A DSL will always be contactable during school hours. If they are not on site, please ring them directly (numbers are in the office). Direct numbers are also available if you are working with children out of school hours.

If you are a parent or visitor to the school and are worried about the safety or wellbeing of a child, you can speak to the safeguarding team.
